

OTS ELITE

AUTO-TRACKING RADIOGRAPHIC SYSTEM

Excellence in Workmanship

Best-in-Class of High-Performance Medical Systems

The OTS Elite delivers maximum capability and is designed for use in hospitals, high-volume orthopedics, and free-standing ERs. Loaded with convenience features like patient overhead grip, table-top lock release and elevation handle, the OTS Elite stands out in the class of high-performance medical systems by offering the only 5-year parts warranty of its kind! Technologist-friendly features such as color-coded annotations and the ability to turn the auto-tracking on or off with the touch of a button, make positioning fast, improving patient throughput. Improve your patients' experience . . . choose the AMRAD Medical OTS Elite.

OTS
